NOTE FROM THE DIRECTORS:

Dear EMAS Families,

It's safe to say we have been looking forward to Spring for quite some time this year! We are happy to see the sunshine and watch the snow slowly melt away.

We will be discussing seasonal changes with the children, and the wonders of Spring. We will celebrate the color green this month, for St. Patrick's Day, and for the return of our wildlife and plants!

This will be a busy season here at EMAS. Conferences and Picture Day will be in the month of April. We will announce details once the time draws nearer; and we will be preparing for our Spring Graduation Program as well.

Thank you all for your help with our Valentine's Party - it was a smashing success.

As always, thank you for your referrals and continued support of our school. We strive for greatness at EMAS, and could not do it without you.

REMINDERS

- Trim and file your child's nails often
- All items brought to the school **MUST** have child's first & last name
