## NOTE FROM THE DIRECTORS:

Hello EMAS Families New and Old!

We are so excited to begin our school year. After an unusual summer with COVID-19 etc. We are ready to move back into our classroom routines and continue educating and caring for our students.

We are thankful for the health of all our students, families, and staff, and remain positive for the coming fall season.

Please continue to wear masks while in the building, and keep any sick or symptomatic children at home. We appreciate your cooperation and dedication. Keep everyone safe.

As always, we strive to do our very best for our families and students.
